6 Month
Helloleads CRM, Tiruchirapalli
Website Developer

I have Successfully Developed 5 websites.

Projects

Blog using PHP :

"I've created a robust website with PHP and MySQL, featuring user authentication for login and registration, along with full CRUD functionality allowing users to seamlessly manage their posts."
github link : https://github.com/J0shua007/joshua/tree/main/blog

Portfolio :

"I designed a dynamic portfolio using HTML, CSS, Bootstrap, and JavaScript, showcasing my skills and projects with a responsive and visually appealing layout."
Live review : https://j0shua007.github.io/Portfolio/

Countdown Timer :

"I crafted a New Year's countdown timer using HTML, CSS, Bootstrap, and JavaScript, combining sleek design with real-time updates to usher in the celebration with anticipation."
github : https://github.com/J0shua007/Innovixion-Tech-Nov-2/tree/main/CountDown-Timer

Calculator :

"I created a functional calculator using HTML, CSS, and JavaScript, providing users with a sleek and responsive interface for basic arithmetic operations."
live review : https://j0shua007.github.io/calculator/

Room Booking Site :

"I built a room booking website using HTML, CSS, JavaScript, and Bootstrap 5, offering an intuitive frontend experience for users to explore and book rooms without requiring a backend system."
live review : https://j0shua007.github.io/Room-Booking-site/index.html
